The World Market for Cannabis

February 2026

Table of Contents

Our expert’s view of cannabis in 2025
Cannabis snapshot
Key findings in 2025

INTRODUCTION

Adult-use segment as the driving force behind the global legal market
Top five trends in cannabis
Top five trends uncovered
Drivers of consumer markets and impact on cannabis
The intersectionalities between cannabis and adjacent industries

STATE OF THE INDUSTRY

Another year of value growth backed by the adult-use and medical segments
The US continues to lead across the three legal segments
Adult-use remains as the main revenue engine for the US
Germany establishes itself amongst the main cannabis markets in the world
North America leads the decrease in the global illicit penetration

CONSUMERS

Legal prevalence resumes growth in 2025 after challenges in 2024
Previous cannabis experience as a differing factor across adult-use and CBD users
Product features preference as a lens to understand cannabis consumers’ profiles
Cannabis as a cross-industry disruptor

COMPANIES AND PRODUCTS

Positive economic impact of legalisation is more widely perceived by the public
Uncertain periods for cannabis companies are overcome by solid consumer demand
Notable M&As, retail expansion and market entry as key corporate strategies in 2025
Legacy formats still dominate, but emerging ones continue to expand

COMPETITIVE LANDSCAPE

Prominent product innovation trends in 2025
Key areas of emerging regulatory focus
Global legislative updates from 2025 to date

CHANNELS

Telemedicine as a driver for medical cannabis
Rise of digital clinics and telemedicine platforms presents double-edged sword
Cannabis retailers’ strategies go beyond their product portfolios

FUTURE OUTLOOK

Adult-use remains the main source of future growth
Curb on telemedicine and adult-use presence to shape the future of medical cannabis
Brighter future for CBD despite recent global sales contractions
New US states and move from Schedule I to III can boost future adult-use value growth
Hemp-derived intoxicating products at a crossroads
Flowers to face fierce competition with ever-growing less traditional formats
“Social regulation” as a key factor setting the future trajectory of cannabis globally

CONCLUSION

Future opportunities ahead amidst a hazy period
Opportunities for growth
Our expert’s view of cannabis to 2030

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- Strategy Briefings: Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- Company Profiles: Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- Country Reports: For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
