

Pet Products in Malaysia

April 2024

Table of Contents

KEY DATA FINDINGS

2024 DEVELOPMENTS

Cat litter prospers as cat population grows the fastest of all pets in 2023 and 2024

Pet healthcare and other pet products experience slower growth in 2023, but value growth rebounds in 2024

International players retain their foothold in 2023

PROSPECTS AND OPPORTUNITIES

Cat litter likely to sustain strong value growth over the forecast period

Weakening of the local currency predicted to drive up prices for pet healthcare and other pet products

Players in pet healthcare predicted to expand their distribution to veterinary clinics over the forecast period

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
