Telcos pursue various initiatives to help alleviate pandemic

GOVERNMENT RESPONSE TO THE DIGITAL DIVIDE

How emerging markets are responding to the digital divide

How developed markets are responding to the digital divide

THE DIGITAL DIVIDE: PROSPECTS

Internet penetration to reach 67% of the globe by 2025

Case study: SpaceX's Starlink programme to extend global access

5G focus may undercut broadband incentives, prolong digital divide

Case study: Huawei takes 5G to the top of the mountain

THE EFFECTS OF COVID-19 ON THE DIGITAL DIVIDE

How the COVID-19 crisis has influenced the digital divide

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
