Alcoholic Drinks Packaging in the Philippines

Philippine alcoholic drinks packaging grows strongly in 2025 as cans gain on a glass-led, beer-driven market
Glass bottles dominate a beer- and spirits-led market, anchored by returnable systems
Metal beverage cans grow fastest as canned beer and ready-to-drink formats expand
Extended producer responsibility and circular glass systems shape the sustainability agenda
Robust growth to 2030 led by cans and resilient glass
Recyclable cans, returnable glass and recycled content define the priority opportunities

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
