Baby Food Packaging in the United Arab Emirates - Company Profiles

Packaging Industry in the United Arab Emirates - Industry Overview

EXECUTIVE SUMMARY

Packaging in 2025: the big picture
2025 key trends
Sustainability and lightweighting reshape United Arab Emirates food packaging
Recycled content and carton alternatives shape non-alcoholic drinks packaging
Cans and lighter glass gain ground in alcoholic drinks packaging
Refillable and bio-based formats lead beauty and personal care packaging
Refills, concentrates and compact packs advance in home care
Convenience and recyclability define pet food packaging

PACKAGING LEGISLATION

Single-use plastic bans and a federal climate law steer packaging design
Brand-led commitments fill the gap left by the absence of nationwide mandatory EPR

RECYCLING AND THE ENVIRONMENT

Reverse-vending pilots and brand-led recovery build circular foundations
Material substitution carries the load while collection capacity catches up

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- Strategy Briefings: Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- Company Profiles: Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- Country Reports: For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer

trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
