

Voice of The Industry: Travel One Year On

June 2021

Table of Contents

INTRODUCTION

Travel snapshot

STATE OF TRAVEL

Cautious optimism despite ongoing challenges

Travel hit by the full force of the pandemic

Flexible terms and conditions continue to cause pain

Bringing business travel back from the brink

Business continuity plans

State of travel over the long term

FACTORS IMPACTING TRAVEL

One year on, brand building is the priority in the short term

Digital health passports the most popular measure for reopening

Mid to long term, priority on improving and digitizing CX

AI and data continues to exert the greatest disruptive power

Role of artificial intelligence in facilitating safe travel

Biometrics to play a critical role in digital health passports

MOBILE AND DIGITAL COMMERCE

Investment in mobile goes in reverse during pandemic

Rolling back in providing holistic customer experience

Mobile functionality vital for customers post-pandemic

Aligning business vs consumer priorities for driving trust

Reputational risks in not embracing mobile engagement

TRAVEL AND SUSTAINABILITY

Consumers in the driving seat in terms of interest in sustainability

Consumers put social impact above everything

The “great outdoors” is a popular post-lockdown choice

Sustainable travel edges closer to parity with mass market

Need for closing the “say-do” gap

Carbon tracking makes small inroads

Sustainable Development Goals take a backseat

5 Ps - greater focus on people during the pandemic

Climate emergency requires multi-stakeholder approach

Rising trust in eco-friendly and sustainability labelling

INNOVATION IN TRAVEL

Digital and sustainability dominate as sources of innovation

Innovation for enabling safe and sustainable travel post-COVID-19

Digital health passports - IATA Travel Pass

Health inspired innovation - C-Face smart mask

Vertical integration - Singapore Airline's experiences brand

Partnerships for the new normal - Sherpa for travelling freely

Contactless check-in - Duve offers end-to-end seamlessness

Self-guided, self-driven - Autoura takes DIY to the next level

Smart destination management - Cleverciti for traffic control

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/voice-of-the-industry-travel-one-year-on/report.
