China: Foreign trade landscape

Japan: Production context

Japan: Foreign trade landscape

India: Production context

India: Foreign trade landscape

Indonesia: Production context

Indonesia: Foreign trade landscape

South Korea: Production context

South Korea: Foreign trade landscape

Vietnam : Production context

Vietnam: Foreign trade landscape

Malaysia : Production context

Malaysia: Foreign trade landscape

Thailand: Production context

Thailand: Foreign trade landscape

Bangladesh: Production context

Bangladesh: Foreign trade landscape

Taiwan: Production context

Taiwan: Foreign trade landscape

Pakistan: Production context

Pakistan: Foreign trade landscape

Philippines: Production context

Philippines: Foreign trade landscape

Uzbekistan: Production context

Uzbekistan: Foreign trade landscape

Sri Lanka: Production context

Sri Lanka: Foreign trade landscape

Cambodia: Production context

Cambodia: Foreign trade landscape

Singapore: Production context

Singapore: Foreign trade landscape

Kazakhstan: Production context

Kazakhstan: Foreign trade landscape

Hong Kong, China: Production context

Hong Kong, China : Foreign trade landscape

Azerbaijan: Production context

Azerbaijan: Foreign trade landscape

## About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
