Türkiye: Consumer Profile

October 2026

Table of Contents

INTRODUCTION

Scope

Key findings

Key drivers affecting consumers in Türkiye in 2025

How developments today shape the consumer of tomorrow

POPULATION AND SOCIETY

Today 2025: Population grows despite negative net migration

Türkiye remains young, despite falling fertility, with increasing demographic diversity

High obesity levels and high blood pressure are significant health concerns

Tomorrow 2040: Population growth concentrated among older generations

A young country ages rapidly towards 2040

Urbanisation and working-age growth reshape Türkiye's regional consumer landscape

Opportunities for growth

Case study: AgeSA aims to help Turkish society prepare for later life

HOUSEHOLDS AND HOMES

Today 2025: Average household size has fallen but still above regional average

Smaller households and delayed family formation reshape Türkiye's consumer landscape

High housing costs and smaller households drive rental demand

Tomorrow 2040: Single person households to see rapid growth in number

Average age of household heads set to rise, with men dominating

Türkiye's demographic shifts reshape consumers, households and future demand

Opportunities for growth

Case study: TOKI provides small, affordable homes

INCOME AND EXPENDITURE

Today 2025: Cost of living index continues to rise rapidly

Türkiye's high inflation intensifies household budget pressures and value seeking

Millennials drive experience spending despite financial pressure and rising grocery costs

Tomorrow 2040: Gross income to grow fastest among the young

Rising incomes reshape Türkiye's affluent consumer landscape over 2025-2040

Consumer spending growth will strengthen Türkiye's digital and discretionary markets

Opportunities for growth

Case study: Kuveyt Türk helps consumers protect savings from currency depreciation

LIFESTYLES

Opportunities for growth

LIFESTYLES

Case study: Gekoo focuses on organic baby foods and healthy snacks

CONCLUSION

Key takeaways

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
